As the calendar page turns to the second half of the year, attention brings Internship, Vacation Bible School, Renewing God's House project into focus all at the same time. Kristen

Schmid will begin her year of internship on Monday, July 29 at the same time the week of VBS gets underway. Internship is a required leg of seminary education and accounts for a full year of academic credit. In effect, Salem will become a teaching opportunity for Kristen as her journey in the Candidacy process continues. Kristen will take part in all aspects of pastoral ministry and will make an effort of learning with and from all of us as a path toward ordination and full-time rostered leadership in Christ's church. An Internship Committee will partner with Kristen and serve as support and guides on Kristen's journey. Please pray for Kristen, members of the committee, staff members as well as for me as together we make this a positive experience for Kristen as well as for the Salem community.

Internship Committee members: Chad Arnold, Matt Bastian, Edell Berg, Dean Doughty, Sarah Kammerer, Meghan Peterson. Kristen will be encouraged to invite one or two others onto the committee after she settles in among us and as she so desires.

The bidding process is underway and is expected to be completed this month and presented to the congregation for consideration. A congregational mailing will announce any special meeting that will

## "TO KEEP THE MAIN THING, THE MAIN THING."

take place to formalize the scope of the project before proceeding to any construction phase. Efforts will also be made to anticipate the startup of Sunday school, preschool, Wednesday evening programming, as well as confirming options for worship leadership. Life at Salem is full and exciting with many plans merging at the same time.

With so many things calling for attention, it will be all the more important to do as Presiding Bishop Eaton stated years ago when she was elected, ***"to keep the main thing, the main thing."*** There are many things that call for our attention and need support through the church as well as for individuals, families, communities, schools, agencies and organizations. Life as a whole is full, yet it is important that through it all, we keep our focus on that which can be trusted and that which is central to our identity as named and claimed by Christ.

Please join with me to proclaim the resurrected promise of Jesus and his command to make disciples so that we remain focused and directed to invite people into the wondrous and life-changing journey of new life in Christ Jesus. May our collective efforts produce abundant kingdom fruit for our good and for God's glory.

# THOMAS JEFFERSON PRIMARY SCHOOL

## ADOPT-A-SCHOOL PROGRAM

Salem’s adopt-a-school partnership with Thomas Jefferson is an opportunity for Salem members to participate in community outreach while giving back in thanks for the blessings of nurture and education received from their own parents, teachers, and mentors. Both a classroom volunteer and a pen pal program are part of this adopt-a-school partnership. Thomas Jefferson Primary School is most appreciative, and, in return, Salem has the opportunity to be part of "the village" that it takes to help nurture the children of our community.

For the past two years, Judy Cagle has coordinated the classroom volunteers. One of Judy’s favorite things has been to hear about the volunteer’s experiences with the children. When the volunteers have seen progress in a child with whom they work, it is rewarding to know that the individual attention given makes a difference in that child’s life and education. Throughout this past year, over 600 volunteer hours have been completed by Salem members working with students individually, in small groups, or by doing other tasks to help the teachers in the classroom.

Lois Knutson has organized the pen pal program with Thomas Jefferson for the past two years. Although coordinating the program wasn’t something she had initially

**OUTREACH  
MINISTRY**

### THANK YOU!

The Salem Outreach Ministry Team would like to thank Lois Knutson and Judy Cagle for their service in Salem Lutheran’s work with Thomas Jefferson school. We appreciate their efforts in coordinating Salem volunteers and our programs with TJ.

Judy and Lois have enjoyed this work but are ready to move to new opportunities. We are looking for individuals who would like to work with our Outreach Team and Thomas Jefferson to continue this great partnership. If you are interested in learning more about this ministry program, please contact Kelly Brinkman.

thought of doing, Lois liked the idea of being able to help this important outreach program at Salem continue on. By coordinating this program, Lois came to more fully realize the impact of the Thomas Jefferson/ Salem partnership on the students. Each child is thrilled to have his/her

own special pen pal buddy, and the Salem pen pals are delighted to get letters from their young friends as well. The teachers appreciate the opportunity for their students to practice handwritten letters while using their grammar and spelling skills for a fun purpose.

## Blood Drive Thank You & Updates

Thanks to all the donors and volunteers for helping with the Blood Drive in May.

With the help of 23 individuals coming in (only 2 deferred) and 6 of those being able to donate double cells, 27 total units were collected. This means at least 81 individuals were provided blood products. This awesome Blood Drive would not have been as successful without those that volunteered their time and/or food contributions. Thanks to: Bonnie Gallas, Leah Grebner, Kaleb and Kelsi Hacker, Judy Livingston, Helene Peterson, Nathan Reimer, and Nadine Willems. Continue to ensure that our community has an adequate blood supply that’s available when someone is in need by donating every 56 days (112 for double cell donors). You will be eligible to donate again on July 25, 2019 for single unit and September 19, 2019 for double cells. There will be no blood drive at Salem until 2020 so please continuing giving in the community. Go to [redcrossblood.org](http://redcrossblood.org) to find drives in the area. Thanks again to everyone!
