### Three-Year-Olds

Happy Holiday Season to everyone! This will be a very busy and fun month for us with all of the excitement of the season. Our focus will be on Christmas over the next few weeks and what a special time of year it is for everyone! Please remember those hats and mittens as it gets cooler outside. If you could put them in the sleeve of your child's coat that would be very helpful as many of the children do not look for them in their backpack when it is time to go outside. We will be going out as long as the weather permits. Thank you to everyone who helped last month with parties, parent helper and snacks.

Our Christmas program will be on **Tuesday, December 17 at 6:30pm in the Sanctuary**. Please bring your child to their preschool room by 6:15pm. I will be posting a cookie sign up sheet outside the classroom door for the Christmas program. I am asking for two people in each class to bring three dozen cookies each. They may either be store bought or homemade. You may bring them to school when you drop off your child on the 17th or when you bring your child to the program that evening. Let me know if you have any questions.
