

February 2020 Pre-K Newsletter

LOVING LEARNING!

While it may be cold outside, the classroom has been on fire with learning! The Pre-K kiddos are making great strides in the New Year. Julie and I are very proud of each of them!

In February we will circle back and review each letter we have focused on thus far. There will be 4 new letters introduced this month: O, P, Q and R.

We will continue to move full speed ahead with our math skills. Additionally, we will visit broad concepts such as opposites, positional words, sorting, patterning and graphing. We will also spend some time building on our knowledge of shapes, specifically looking at rectangle, diamond and oval.

Progress Assessments will be done the first three weeks of the month. Parent Conferences will be the last week of the month

Happy Birthday to Hayden on February 17!

Feb. 3-6: "O" Week

- "O" Week Show & Tell Mon. 2/3
