

September 2021 Pre-K Newsletter

READY, SET, AWAY WE GO!

Get ready for an exciting start to the school year!

This September we will get to know one another, discover our classroom, and settle into our school routine. We will spend some time introducing the kiddos to our enhanced health and safety protocols, classroom expectations and daily routines... We will set off to navigate the new PRE-K world together!

In the next few weeks, we will explore and review foundational concepts such as shapes, colors and numbers.

Please remember to bring a full-sized backpack to school each day. Don't forget to send your child in close-toed shoes-- the playground gravel can be troublesome!

"Show & Tell," "Parent Helper" and weekly snack drop-off will begin the week of Sept 27th! 😊
