

February 2022 Pre-K Newsletter

LOVING LEARNING!

While it may be cold outside, the classroom has been on fire with learning! The Pre-K kiddos are making great strides in the New Year. I am proud of each of them!

In February we will circle back and review each letter we have focused on thus far. There will be 4 new letters introduced this month: N, O, P and Q.

We will continue to move full speed ahead with our math skills. Additionally, we will visit broad concepts such as opposites, positional words, sorting, patterning and graphing. We will also spend some time building on our knowledge of shapes, specifically looking at rectangle, diamond and oval.

Progress Assessments will be done this month. I anticipate Parent/Teacher Conferences will be the week of 2/28 - 3/3. More info regarding Parent/Teacher Conference scheduling/ sign-up to come!
